## **Monolithic Power Systems Announces Analyst Day in San Jose on June 6, 2013**

SAN JOSE, Calif., April 15, 2013 /PRNewswire/ -- Monolithic Power Systems (MPS) (Nasdaq: MPWR), a leading fabless manufacturer of high-performance analog and mixed-signal semiconductors, today announced the details of its 2013 Analyst Day. The company will host the analyst day from 9 am to noon (PT) on Thursday, June 6, 2013 at company headquarters.

The event will include presentations from members of the company's management team followed by a question and answer session. To RSVP for the event, please email [investors@monolithicpower.com](mailto:investors@monolithicpower.com).

Parties not present at the event can view the presentation slides and listen to the live audio webcast through the Investor Relations page of the MPS website at <http://ir.monolithicpower.com>. An audio replay of the webcast will be available shortly after the end of the meeting for one year at the same location.

### **About Monolithic Power Systems, Inc.**

Monolithic Power Systems, Inc. (MPS) develops and markets proprietary, advanced analog and mixed-signal semiconductors. The company combines advanced process technology with its highly experienced analog designers to produce high-performance power management integrated circuits (ICs) for DC to DC converters, LED drivers, Cold Cathode Fluorescent Lamp (CCFL) backlight controllers, Class D audio amplifiers, and Linear ICs. MPS products are used extensively in computing and network communications products, LCD monitors and TVs, and a wide variety of consumer and portable electronics products. MPS partners with world-class manufacturing organizations to deliver top quality, ultra-compact, high-performance solutions through the most productive, cost-efficient channels. Founded in 1997 and headquartered in San Jose, California, the company has expanded its global presence with sales offices in Taiwan, China, Korea, Singapore, Japan, and Europe, which operate under MPS International, Ltd.

Monolithic Power Systems, MPS, and the MPS logo are registered trademarks of Monolithic Power Systems, Inc. in the U.S. and trademarked in certain other countries.
